Statement of Origin

Product: ZOCO Zinc Oxide (All grades)

CAS # 1314-13-2

EINECS # 215-222-5

December 15, 2017

Dear Valued Customer,

Zinc oxide is manufactured using special high grade (SHG) zinc metal of mineral origin and oxygen from ambient air. No plant or animal based ingredients are used in the manufacturing of this product.

Should you have any questions or concerns, please feel free to contact me.

Sincerely yours,

Khalid Abdullah
IMS Manager
