Re: GMO, BSE and TSE Compliance Certification

This is to certify that all our grades of zinc oxide are Bovine Spongiform Encephalopathy (BSE) free containing no bovine derived substances, Transmissible Spongiform Encephalopathy (TSE) free containing no ingredients of animal origin, and Genetically Modified Organism (GMO) free containing no additives, flavorings, processing aids, or materials produced from any organism for which there is a genetically modified variety or strain.

Please contact your commercial representative, customer service, or the Zochem technical department representative(s) below for any further questions.
